

# Mobile Device Usage Contract

---

By signing below, I agree to the following:

1. The goal of class time is learning. The use of mobile devices – such as cell phones, iPods, tablets, gaming systems -- during class time prevents myself and/or others from putting 100% effort and maximizing learning.
2. At the start of class, I will either place my mobile device in the mobile device bin or keep the phone out of sight.
3. If I am seen using a mobile device, I must then place it in the bin. If I refuse, the device will be held by the student's Dean until the end of the school day.
4. Use of a mobile device more than two times in week will result in a conference between student, dean, and parents.
