

IB Middle Years Programme

- MYP is a rigorous curriculum for all 9th and 10th grade students that prepares them for college-prep courses in 11th and 12th grade.
- Students build academic skills through challenging, contextualized coursework that relates to their lives.
- MYP is holistic (8-subject areas, including a World Language for all) and encourages service and interdisciplinary connections through broad themes that are infused in all subject areas.
- MYP is inquiry based and emphasizes student-directed learning.
- Personal Project in 10th grade is a chance for students to create an extended project based on their own passions.

IB Diploma Programme

- 11th and 12th grade students at Thomas Edison High School can participate in the IB Diploma Programme in three ways:
 Individual Courses
 IB Medallion
 IB Diploma
- DP Courses are generally two years in length. They are rigorous, college preparatory courses with emphasis on international-mindedness, reflection, and cross-disciplinary connections.
- Edison offers DP courses in the following subjects:
 Math (Multiple Levels) English
 History of the Americas Spanish
 French Mandarin Biology Physics
 Visual Art Music Business & Management
 Theory of Knowledge

Thomas Edison High School Academics

9th and 10th Grade: MYP for ALL

All 9th and 10th grade students participate in the Middle Years Programme. Students take courses to meet MN state standards and Minneapolis graduation requirements incorporating holistic learning, intercultural awareness and personal reflection. Students will complete a *Personal Project* during their 10th grade year.

11th and 12th Grade

Minneapolis Public Schools High School Diploma with dual-enrollment options:

Students take courses to meet graduation requirements, including a variety of International Baccalaureate, Advanced Placement, dual enrollment courses (for college credit at U of M or MCTC), and real-world career experiences in many different areas.

MPS High School Diploma and IB Medallion

Students take courses to meet graduation requirements, including coursework and examinations in three IB subjects, completion of the Theory of Knowledge course, and a Creativity-Activity-Service portfolio.

MPS High School Diploma and IB Diploma

IB Diploma Candidates take IB courses in all six academic areas. In order to earn the IB diploma, they must successfully examine in each course and complete the Theory of Knowledge course and assessments, a Creativity-Activity-Service portfolio and an extended essay.

Thomas Edison High School

Mission Statement:

All students will graduate with the skills necessary to excel in their post-secondary aspirations.

Vision Statement:

Through innovation and personal empowerment, the Edison community will partner with our students, igniting a passion for life-long learning, instilling the ideals of international mindedness, leading our students to succeed at Edison and beyond.

BELONG. BELIEVE. BECOME.
