

WHAT IS THE MYP?

The International Baccalaureate Middle Years Program (MYP) is a great way to learn and grow in high school.

- You will study a range of different subjects in interesting ways.
- You will be encouraged to ask questions—and find the answers!
- You will learn to make connections between subjects.
- You will connect your learning to the real world.
- You will grow into a global citizen – someone who cares for your community and the world around you.
- You will be prepared for the world beyond school and success in the future.

Here's what the MYP looks like:

- The 8 subjects you will study are in the second ring.
- Service is an important part of your education.
- The Personal Project is something you will complete in 10th grade—you decide what you want to learn more about.

LEARNER PROFILE

The IB Middle Years Program is designed to help you develop into an excellent young adult in many different ways. It will help develop your thinking skills and subject knowledge, give you personal confidence, and help you become a responsible and caring global citizen and leader within the community.

The LEARNER PROFILE is a set of characteristics we all try to develop in ourselves and use to guide our behavior in school and life.
