Native American Family Involvement Day

Thursday, November 20th 2014

Since 2006, MPS has celebrated NAFID across the school district to recognize Native American culture and the involvement of Native parents. Families are invited to participate in events to celebrate the contributions of Native American people. School staff & parent leaders come together to create how their school site wants to celebrate on this day. MPS Indian Education Department is here to offer educational resources, ideas & support should schools need assistance in designing their celebration!
